# Substance Use Disorder and Mental Health Recovery

## OUR PHILOSOPHY

At Progressive Individual Resources (PIR), we are committed to providing culturally responsive outpatient substance abuse, gambling addiction, and mental health treatment that respects each individual's unique background, beliefs, and experiences.

Our mission is to guide clients—youth and adults, especially from historically underserved communities—toward sustainable recover and improved quality of life.

We offer tailored treatment that addresses mental, emotional, physical, and social needs, promoting long-term recovery.

Through collaboration with local providers, schools, and community organizations, we ensure holistic support for our clients' diverse needs.

## Our services include:

- ASAM Levels of Care: 1.0, 2.1, and 2.5
- Abuse Service
- Comprehensive Assessments
- Diagnostic Assessments
- Psychoeducation & Addiction Education
- Co-occurring Counseling (Group & Individual)
- Referrals as necessary
- Peer Recovery Services
- Gambling addiction and Counseling

## Eligibility Criteria for Co-occurring Disorders

- **Dual Diagnosis:** Must meet criteria for a mental health and a substance use disorder.
- **Comprehensive Assessment:** A thorough assessment must determine the need for treatment.
- **Appropriate Level of Care:** Treatment level must be appropriate based on the individual's functional impairments and assessment results.
- **Age:** Available for adolescents and adults.
- **Informed Consent** is required for minors.
- Individuals must be willing to Participate in Treatment.
